

A Greener World, A Happier Community

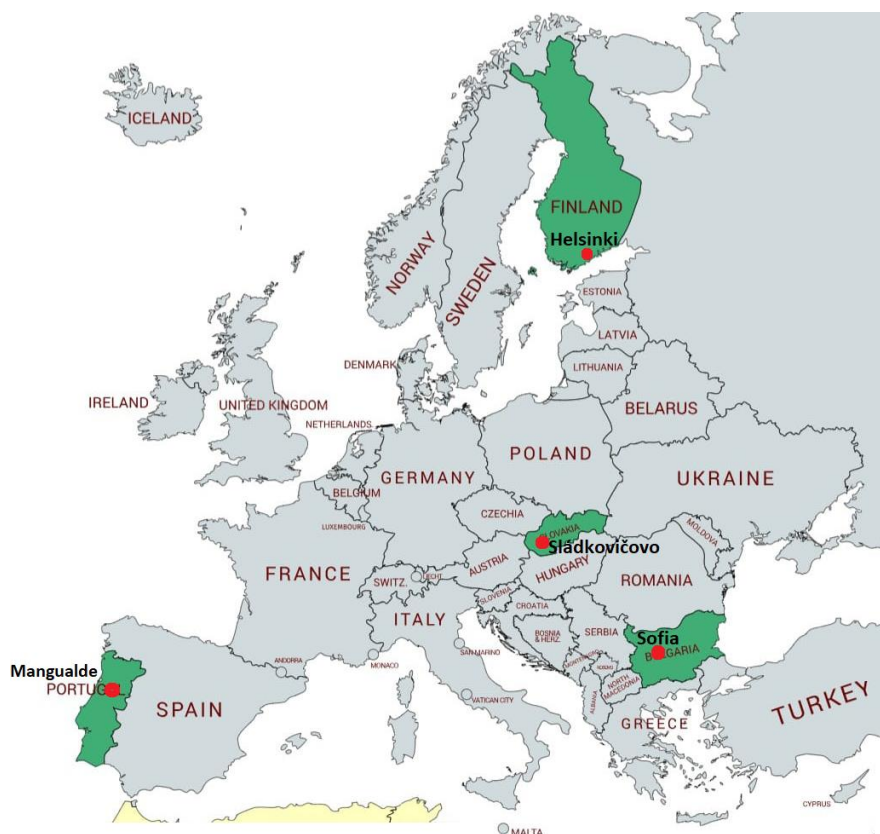

We are excited to launch our new Erasmus+ project: **A Greener World, A Happier Community.**

This international initiative connects schools across Europe to promote sustainability, inclusion, and creativity while empowering young people to take an active role in shaping their communities.

The project is coordinated by **Munkkiniemen yhteiskoulu (Finland)**, with lead teachers **Nina Kivimäki and Nina Salminen.**

Partner schools come from:

- **Bulgaria**
- **Finland** Sipoonjoen yhtenäiskoulu
- **Portugal**
- **Slovakia**

Main Objectives

- Promote **skills in environmental education**
- Support **entrepreneurship** and creative thinking
- Encourage **inclusion** and equal opportunities for all students
- Foster **innovation** and problem-solving
- Strengthen **cooperation** between European schools
- Inspire **active citizenship** and responsibility
- Enable **student mobilities** and exchanges
- Provide **practical activities** that connect learning with real life
- Organize **cultural visits** to deepen intercultural understanding

What Will Happen?

- **Student mobilities:** Exchanges between partner schools with workshops, projects, and local activities
- **Hands-on learning:** Practical tasks and environmental projects connected to sustainability and entrepreneurship
- **Creative outputs:** Students design campaigns, products, or artworks linked to project themes
- **Inclusion and citizenship:** Activities that highlight equal opportunities, cultural diversity, and active participation
- **Teacher collaboration:** Sharing methods and best practices in sustainability, creativity, and inclusive education
- **Cultural visits:** Exploring European heritage, traditions, and everyday life to build connections across borders

Why Does It Matter?

Education for sustainability is about more than protecting the environment – it is about building stronger, fairer, and more creative communities.

A Greener World, A Happier Community gives students and teachers the tools to learn, create, and work together for a better future.

  Together, we grow – together, we thrive!
